SIGN UP for the afterschool CHESS and/or SCIENCE CLASS TODAY!

All levels are welcome, from beginner to advanced! Space is limited!

---Session Description---

- During the 8-week session of afterschool chess, each child shall receive a magnetic chess set, weekly chess lessons, and a chess medal for participating. The title of this session is called "The 2024 World Championship." In it, we will study and learn from games from the 2024 World Championship Finals!
- During the science portion of the class, students will undertake science projects that they will often put together themselves. A detailed lecture will precede each project so that the students understand the scientific principles involved in each activity. Students will also receive worksheets and will have the opportunity to earn a science medal as well.
- Students may sign up for either chess or science, or both classes.

❖ **Here is the schedule of science lessons and/or projects:**

Week 1: The Solar System	Week 5: Rube Goldberg
Week 2: Foam Fountain	Week 6: Ultraviolet Light
Week 3: Smashing Geodes	Week 7: Static Electricity
